Living With Extreme Weather Workshop Agenda
Monday, May 18 to Wednesday, May 20

Sunday, May 17
Participants arrive

5:30 - 7:00  Pre-registration at hotel
6:00 - 8:00  Reception at NCED Route 66 Lounge

Monday, May 18

Bus departs NCED at 7:15 for NWC

Networking Continental Breakfast: 7:30-8:30 am (At NWC)

I. Welcome, Introductions, Objectives and Goals: [Who, What/Why, & How]
   8:30 - 8:45  Welcome to the workshop!
   8:45 - 9:00  Introduction to the “Coordinate, Cooperate, Collaborate” Framework
   9:00 - 9:30  Overview of Workshop Participants

II. Extreme Events from Multiple Perspectives: The Inherent Interdisciplinarity of Problems in Hazards Resiliency
   9:30 - 10:30  Panel Discussion of Multidisciplinary Work & Challenges
   10:30 - 11:00  Caffeinated Networking & Transition
   11:00 - 12:00  Breakout Groups: Discuss Videos in Context of Workshop Goals

Catered Lunch in NWC atrium: 12:00 - 1:30
   12:00-12:45 (Optional) Immersive Learning with WDTD: You’re the Forecaster
   12:45-1:30 (Optional) Immersive Learning with WDTD: You’re the Forecaster

III. Demonstration of Successful Interdisciplinary Projects in Extreme Weather via the CCC Framework
   1:30 - 2:00  What does it take to achieve success in C, C or C?
   2:00 - 2:30  Common perceptions of multidisciplinary challenges / barriers

   2:30 - 3:00  Caffeinated Networking & Transition
3:00 - 4:00 Breakout groups: Applying the CCC to research problems in natural hazards
4:00 - 5:00 Large group report out with Q&A

5:30 - 7:00 Dinner (NWC Atrium)

Bus Departs NWC at 7:15 for NCED

Tuesday, May 19

Bus departs NCED at 7:15 for NWC

Networking Continental Breakfast: 7:30-8:30 am (At NWC)

**Day 2: Research Needs and Strategies**

I. Strategies for Shaping and Responding to Funding Calls Related to Extreme Weather, Part 1

8:30 - 10:00 Funding Opportunities: Facilitated Group Discussion of Opportunities for Workshop Participants
10:00 - 10:30 Caffeinated Networking & Transition
10:30 - 12:00 Breakout Group Part One: Collaborating to Address Problems in Hazards Research

Lunch: 12:00 - 1:30
12:00-12:45 (Optional) Immersive Learning with WDTD: You’re the Forecaster
12:45-1:30 (Optional) Immersive Learning with WDTD: You’re the Forecaster

II. Strategies for Shaping and Responding to Funding Calls Related to Extreme Weather, Part 2

1:30 - 2:30 Breakout Group Part Two: “Seeing yourself in Solicitations” - Recommendations for funding agencies to meaningfully support multidisciplinary collaboration
2:30 - 3:00 Coffee Break & Transition
3:00 - 4:00 Breakout Group Part Three: Summarize research needs, gaps, strategies
4:00 - 5:30 Full group report out and discussion: Closing the Funding Gaps
Bus departs NWC at 6:00 for NCED

Dinner: On Your Own

Wednesday, May 20

Bus departs NCED at 7:15 for NWC

Networking Continental Breakfast: 7:30-8:30 am (At NWC)

Day 3. Moving Forward: Recommendations for a Strategic Approach to Extreme Wx

8:30-9:15 Wrap-Up: Where We are Now
9:15-9:30 Caffeinated Networking
9:30-11:00 Group Discussion of Where to Go From Here

11:00 Workshop Ends. Boxed lunch provided.
